---

I have solicited review of the attached special event application submitted by the Community Presbyterian Church (applicant) from BSO Police, Development Services, and Parking Enforcement (reviews attached). The Town Commission must consider the following items:

- Since the applicant does not anticipate the hiring of off duty police/code enforcement officers, BSO Police will assign a directed patrol to address any crowd or traffic control issues that arise.
- Applicant must provide thirteen (13) additional bathroom facilities per the Florida Building Code, 403.1. If businesses close to the event site would provide affidavit that indicates use of their restroom facilities, this requirement would be satisfied.
- East and westbound Commercial Boulevard, from El Mar Drive to the beach will be closed to vehicular traffic on Sunday from 5:00 AM till 8:30AM. Correspondence has been distributed to affected businesses requesting support (attached).
- Town Commission must waive the collection of revenues at the ten (10) parking meters during the event.
- No tents or chairs have been indicated in the application. If utilized, applicant must provide information to Town staff for issuance of permit.
- The Town solid waste contractor will provide any additional waste receptacles required.
- All temporary electrical wiring shall be properly secured and covered, as required by building code.
